**Welcome to the first edition of the**

**COGITATE**

**Monthly Newsletter!**

We hope to fill these pages with news you can use. We'll give you tips and tricks for performing your jobs more efficiently, and keep you updated on the latest information in the world of technology and IRS/Governmental policy updates and changes.

Another function of this newsletter will be to poll our customer base to hear how you feel about different topics. These polls will be simple and have only one or two questions. Your responses will help determine how we approach providing you with better support and software.

Right now, though, our newsletter is just starting and we're collecting articles and information to pass along to you. If you have a topic you'd like to see discussed, any questions you'd like to have answers to, or anything you'd like to see published in these newsletters, please don't hesitate to forward it along to Barbara Kowalczyk (barb@cogitateinc.com) with a subject line of "Newsletter Submission."

This newsletter is for you, and we want to be sure it covers areas in which you're interested!

If you do not wish to receive these newsletters, please reply to this email and insert the word "Unsubscribe" in the subject line.
