

*Agenda for
today's
Webinar...*

- Updates
- PFA Works Timecard
- Minimum Microsoft SQL Server update
- Using ACH with Payables

Updates

- New Employees For Cogitate
- Updating all code to the latest 'best practices'
- Doing a full test of the newer PFA screens.

PFA Works TimeCard

- Renamed the import and permissions buttons to legacy.
- A final end of life date is set for 12/01/2024.

Minimum SQL Server Version

- Warning until 12/1/2024
- Not work after that until you update.

Payables ACH

- We have a minimal support now for ACH
- We will be adding a full file generation utility
